

What is the National Registry?

The National Registry is a mandate set forth by Football Canada for all participants to register with the National Sport Organization (NSO). All Ontario Football members and registered participants must also register with the NSO as do most other sports. OFA has implemented their registration process with the National Registry to provide one point of registration for both the PSO and NSO.

Who needs to sign up?

The National Registry will be for all Players, Coaches, & Volunteers competing in Ontario Football Alliance sanctioned activities.

What information will be collected?

Full Name, Phone Number, Date of Birth, Email, Address, Gender, Designation (player, coach), Discipline (tackle, flag or touch), and Association. Players will also be required to agree to waivers from Football Canada and Ontario Football Alliance.

Can the Niagara Spears (the association) request additional information be added to the registration form?

Yes the association can add additional information to the form by using the microsite as their online registration system for their association. This system is no charge for OFA member clubs.

When do I register?

Players, Coaches, & Volunteers will need to sign up **BEFORE** they take part in any camp, clinic, practice, game or tryouts consisting of more than 2 practices. Registration is currently open for 2018.

Why am I registering?

With a National Registry, the Ontario Football Alliance and Football Canada will now be able to communicate directly with players and parents, keeping them better informed. As well :

- Coaches, Volunteers, Players & Parents will now receive a monthly newsletter about upcoming events and what's going on in the football community in Ontario.
- Coaches, Volunteers, Players & Parents will be better educated on Ontario Football & Football Canada programming.
- Players & Parents will have a better understanding of Ontario Football's Insurance program and what's covered.
- Players registered will be eligible for Provincial & National Teams.
Associations will no longer have to collect this information and fees on behalf of the OFA.
